

CAR SEAT DECLARATION

I am donating a car seat to Mums Supporting Families in Need Inc (MSFIN).

I understand that all car seats are required to meet current Australian Safety Standards, and MSFIN are unable to distribute car seats that are over a certain age and/or have been involved in any type of collision, regardless how small or minor.

I therefore declare, that to the best of my knowledge, the car seat that I am donating is free from defects, is LESS than 8 years old by the month and year of manufacture, and has not been involved in a collision.

Thank you for your gifted item and your ongoing support; it is greatly appreciated.

Please provide details below:
